Christian perspective

Barry R. May, Ph.D.
 Executive Director

The National Christian College Athletic Association (NCCAA), incorporated in 1968, is a Christian-based organization that functions uniquely as a national and international agency for the promotion of ministry and outreach and for the maintenance, promotion, and enhancement of intercollegiate athletic competition with a Christian perspective.

Over 100 Christian colleges and universities comprise the NCCAA, involving well over 10,000 student-athletes and 450 coaches. A combined total of 16 national championships in men's and women's sports is sponsored by the NCCAA.

The very existence of the NCCAA addresses the need for a unique plan to encourage Christian distinctives in the lives of young men and women in a day where the foundations of our society are being greatly challenged. The NCCAA wants to vigorously promote Christian ethics and purpose of life through athletics within the membership.

The NCCAA believes that athletics are a means to an end and that the process is as important as the performance.
